

**Once we start to think about
the kind of world we are leaving
to future generations, we
look at things differently; we
realize that the world is a gift
we have freely received and
must share with others.
Pope Francis (LS 159)**

What kind of world do we want to leave to those who come after us? (LS 160)

Together, may we care for creation, sanctifying the sacredness of life, ensuring the rights of all peoples and nurturing our Earth.
